## **BOOK SYNOPSIS**

Developed to meet the demand for a low-cost, high-quality history book, this text is an economically priced version of THE ENDURING VISION, Eighth Edition (©2014). The Advantage Edition offers readers the complete narrative while limiting the number of photos, tables, and maps. Its engaging presentation integrates political, social, and cultural history within a chronological framework. Known for its focus on the environment and the land, the text is also praised for its innovative coverage of cultural history, public health and medicine, and the West-including Native American history. The eighth edition incorporates new scholarship throughout, includes a variety of new photos, and brings the discussion fully up to date with coverage of the 2012 presidential campaign.
