BOOK SYNOPSIS

* Investigates food culture, providing new ways to think about what we eat* Food designer Katja Gruijters is an important spokeswoman for sustainability in the food industry. In *Food Design* Katja Gruijters describes the facts of food culture and unveils some of the strange things we are inclined to believe when it concerns eating habits. Against this backdrop the book presents an overview of food design projects that Katja Gruijters has been working on. With many pictures this design book will feed your mind, and inspire new ways of thinking about ingredients, dishes, meals, and whatever we can use to nourish ourselves, both adequately and enjoyably.
