BOOK SYNOPSIS

Many of today's women are overextended—driven to working, rushing, taking care of other people's needs. With wisdom, insight, and humor, these 365 meditations—combined with quotations from women of different ages, cultures, and perspectives—will help women recognize that cycle. In a welcome antidote to the mad rush of modern living, Schaeff's concise meditations will open new doors to new ways of living. These meditations will provide sustenance and inspiration and create possibilities for positive change in the lives of all women who do too much.
