BOOK SYNOPSIS

"An essential review for residents across neurological disciplines, the chapters are organized into groups of questions covering neurobiology, neuroanatomy, clinical neurology, neuropathology, neuroradiology, neurosurgery, and critical care. Written and edited by neurosurgery residents who have passed the boards, the book works as an effective stand-alone review book or used in conjunction with The Definitive Neurological Surgery Board Review. Featuring hundreds of high-quality figures as well as high-yield tables, this essential review book concludes with a 300-question multidisciplinary self-assessment examination."--BOOK JACKET.
