## BOOK SYNOPSIS

In the latest installment of the #1 New York Times Bestselling Charlene Harris Aurora Teagarden series, Robin and Aurora have finally begun their adventure in parenting. With newborn Sophie proving to be quite a handful, Roes mother pays for a partially trained nurse, Virginia Mitchell, to come help the new parents for a few weeks. Virginia proves to be especially helpful when Robin has to leave town for work and Roe is struck with a bad case of the flu. One particularly stormy night, Roe wakes to hear her daughter crying and Virginia nowhere to be found. Roes brother Philip helps her search the house and they happen upon a body outside... but it isnt Virginias. Now, not only does she have a newborn to care for and a vulnerable new marriage to nurture, Roe also has to contend with a new puzzle - who is this mystery woman dead in their backyard, and what happened to Virginia? This heart-pounding and exciting next installment of the Aurora Teagarden series will leave fans happy and hungry for more.
