BOOK SYNOPSIS

A Yale-trained, board-certified family physician with a specialty in women's health and obstetrics delivers a proven 28-day program to heal the overwhelmed, overloaded systems, and prevent and reverse the myriad of symptoms affecting the vast majority of women today. Weight gain, fatigue, brain fog, hormonal imbalances, and autoimmune conditions—for years, health practitioners have commonly viewed each as individual health problems resulting from a patient's genetic bad luck, poor lifestyle choices, or lack of willpower. Patients, too, have turned to different doctors to alleviate their specific symptoms: an endocrinologist for a thyroid problem; a gynecologist for hormonal issues; an internist for weight, diabetes, and high blood pressure; a rheumatologist for joint problems, and even to therapists or psychologists. While these ailments may seem unrelated, Dr. Aviva Romm contends that they are intrinsically connected by what she calls Survival Overdrive Syndrome, a condition that occurs when the body becomes overloaded. SOS can result from childhood survival patterns or adult life stressors that are compounded by foods we eat, toxins in our environment, viral infections, lack of sleep, disrupted gut microflora, and even prescribed medications. Two of the systems most affected are the adrenal system and the thyroid, which control mood, hormones, inflammation, immunity, energy, weight, will power, blood sugar balance, cholesterol, sleep, and a host of other bodily functions. When these systems become overwhelmed they lead to symptoms that can develop into full blown illnesses, including diabetes, hypertension, osteoporosis, and heart disease—all of which have medically provable origins in SOS. *The Adrenal Thyroid Revolution* explains SOS, how it impacts our bodies and can lead to illness, and most importantly, offers a drug-free cure developed through Dr. Romm's research and clinical work with tens of thousands of patients. In as little as two weeks, you can lose excess weight, discover increased energy, improve sleep, and feel better. With *The Adrenal Thyroid Revolution*, you can rescue your metabolism, hormones, mind and mood—and achieve long-lasting health.

THE ADRENAL THYROID REVOLUTION A PROVEN 4-WEEK PROGRAM TO RESCUE YOUR METABOLISM HORMONES MIND & MOOD - Are you looking for Ebook The Adrenal Thyroid Revolution A Proven 4-Week Program To Rescue Your Metabolism Hormones Mind & Mood? You will be glad to know that right now The Adrenal Thyroid Revolution A Proven 4-Week Program To Rescue Your Metabolism Hormones Mind & Mood is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. The Adrenal Thyroid Revolution A Proven 4-Week Program To Rescue Your Metabolism Hormones Mind & Mood may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with The Adrenal Thyroid Revolution A Proven 4-Week Program To Rescue Your Metabolism Hormones Mind & Mood and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with The Adrenal Thyroid Revolution A Proven 4-Week Program To Rescue Your Metabolism Hormones Mind & Mood. To get started finding The Adrenal Thyroid Revolution A Proven 4-Week Program To Rescue Your Metabolism Hormones Mind & Mood, you are right to find our website which has a comprehensive collection of manuals listed.
