BOOK SYNOPSIS

Written by renowned author Catherine M. Mullahy, *The Case Manager's Handbook, Sixth Edition* is an indispensable guide for case managers. Presented in an accessible and conversational style, this practical resource helps case managers learn the fundamentals, study for the Certified Case Manager (CCM) exam, and advance their careers after the exam. Completely updated and enhanced with information on the latest developments affecting case management, it reflects the rapidly changing healthcare landscape, including the significant effects of the Affordable Care Act (ACA). The Sixth Edition includes new chapters on pediatric case management, workers' compensation case management, key factors driving today's healthcare system, the case manager's role in the era of value-based health care, case management and healthcare provider strategies for managing the high-risk or high-cost patient, and transformative healthcare approaches for the millennial generation.
